Welcome to Contempo #ArtShop!

We are putting on this 10-day experiment to bring art to you. We want people to make seeing, being with, and buying art as much a part of their lives as visiting Zippy's or wearing an aloha shirt.

We want you to fall in love with art! If you're already smitten, then boy will you have a ball at Contempo #ArtShop. It's an exhibition, it's a sale, it's a connoisseurship course, it's an art lab—it's for you to have fun, and learn how fun art can be.

So use this guide to the works on view—and for sale—in the #ArtShop Contemporary Art Exhibition. Yes, it raises funds for our education programs, which reach more than 40,000 people a year, but just as important, it lets you take art home. A study by researchers at the Emory University School of Medicine revealed that looking at art activates the brain's "reward system." Don't you—and your family and friends—deserve a treat?

All items are offered "as is." All items must be paid for in full and you must return to pick up on Thursday, July 2, so that we are able to begin installation for the next exhibition. The museum is unable to deliver items. Items purchased become the property of the purchaser upon checkout and payment in full. **All purchases are final.**

Tax deductibility

All items for #ArtShop Exhibition and Sale have been donated in full or in part by the artists or persons listed with each item. Please consult your tax professional as to whether tax deductibility guidelines may apply to you.
